Organized by

The Conference section aims at the hot topics in the development of the industry, as well as the main challenges faced by players to carry out inter-industry discussions, and create a professional communication platform to make business communication more accurate and in-depth. The organizer presets various forms of discussion: special lecture, sub-forum discussion, group discussion, interactive Q&A, etc.

## The main conference topics:

- New valve designs
- Leaking detection/Fugitive emissions
- Maintenance and repair
- Automation and intelligence
- Control valves
- Sealing technology
- Castings, forgings, materials
- Global valve manufacturing trends
- Procurement strategies
- Actuation
- Safety equipment
- Standardisation and conflicts between valve standards
- VOCs control & LDAR
- Export and import
- Refinery and Chemical plant applications
- Industry trends

## The main fields of application:

- Chemical industry
- Petrochemical/refinery
- Pipeline industry
- LNG
- Offshore and oil & gas
- Power generation
- Pulp & paper
- Green energy
- Carbon peaking and carbon neutrality
- Integrated circuit

## How to submit an abstract:

Please send your abstract to the conference co-ordinator Ms Laura WANG by e-mail at [vwsoutheastasia.conf@kci-world.com](mailto:vwsoutheastasia.conf@kci-world.com). Prospective authors wishing to present a paper should submit an abstract of about 300–400 words before the 15th of April, 2023, and suggest a few topics for the session that it will fit. Mention your name and function, company name and full address details including e-mail address, and the title of the paper. Presenters will be notified by the 1st of June, 2023 as to whether or not their proposed presentation has been accepted by the Steering Committee. Consequently they will be invited to submit the complete manuscript, which will be published on the “Valve World” journals or websites. The deadline for manuscripts will be 15 August, 2023. Presenters will receive a reduction of 25% on the conference fee.

**Submit your abstract & Join us!**  
**We welcome unites manufacturers, end-users, suppliers and researchers in an open and focused forum!!**  
**For information, please contact:**  
**Ms. Laura WANG**
